

CAIPTC Class Schedule

February 2020

So-Cal Region

Please note that if you do not register for a class, you are not guaranteed a spot in the class (it is the Instructor's discretion how many extra seats are available).

To register for a class, please call toll-free 877-410-0576 or email at info@caiptc.org.

Date/Time	Class	Other information
February 26, 2020 Wednesday 10am – 2pm	Infectious Disease Response MAAC Community Room 1387 Third Avenue Chula Vista, CA 91911	In this class, students will review the principles of basic biology, as well as different infectious diseases of concern. The instructor will teach infectious disease prevention techniques, including standard precautions and hand washing techniques. At the end of this class, students will have a better understanding of some of the most common infectious diseases and techniques on how to prevent transmission and contamination.
Instructor: Keith Wrightson		
February 27, 2020 Thursday 10am – 2pm	Infectious Disease Response CWA Local 9511 1525 Simpson Way Escondido, CA 92029	In this class, students will review the principles of basic biology, as well as different infectious diseases of concern. The instructor will teach infectious disease prevention techniques, including standard precautions and hand washing techniques. At the end of this class, students will have a better understanding of some of the most common infectious diseases and techniques on how to prevent transmission and contamination.
Instructor: Keith Wrightson		
February 28, 2020 Friday 10am – 2pm	Safe Patient Handling UDW Orange County Office 333 Civic Center Drive West Santa Ana, CA 92201	The patient handling training is specific to the needs of homecare workers. Students will learn proper body mechanics, so they do not injure themselves when handling, transferring and repositioning patients. They will also learn how to use gait belts, slide sheets, mechanical lifts and transfer boards to assist in common transfers, such as wheelchair to toilet, bed to wheelchair, bed linen changings and other day-to-day activities.
Instructor: Keith Wrightson
